5. DIFFERENTLY ABLED CHILDREN

AF School Chabua has identified 2 children with special ability.

Professional guidance given to parents frequently and Constant cooperation of parents and teachers has helped to bring desired changes in both the children. Both the children are showing improvements in their social development. They attend assembly, play with peers during the games period, shares feelings with teacher and Headmistress. Today it is really a proud moment for us as both the children taking part in the Annual day celebration. The efforts taken by the teachers, the love and care provided to both the children by the teachers has made possible to bring them onto the stage of today's program.

6. WORKSHOPS

Internal Workshops are conducted once in every month by Teachers in the School. Centrally organized workshops are attended by teachers every year to enhance professional growth. Recently the teachers of AF School Chabua has attended few workshops –

- i. Workshop on POCSO Overview
- ii. Stress Management during Examination
- iii. Understanding Emotional needs of Children
- iv. Alternative methods of assessing the children for better growth.
- v. Educational need of special children
- vi. Making education interactive, inclusive and meaningful.

7. INTRODUCTION OF NEW CONCEPTS IN THE SCHOOL IN THE SESSION 2019-20:

- Workshops for teachers once in every month with ongoing education courses to truly master the practice.
- Guest –parent classes every month (LKG-UKG) Which I believe makes students more curious, interactive, and appealing as they get a break from their usual routine works.
- Mass PT for physical fitness of children. Exercises help to maintain a healthy body along with a healthy mind.
- Meditation as a part of yoga – that is practiced always after Assembly and after lunch break to bring back the attention of the children in the classroom.
- Music is an important part of our life as it is a way of expressing our feelings as well as emotions. Keeping this in view we have laid stress on Music and hence there is the fruit- The Band of AFS Chabua.
- Reading stories/articles/Magazines in the assembly to develop reading comprehension/ability in students.
- Introduction of E-Magazine, which is under process.
- “In the world of traffic and pollution, help open your children’s eyes to the wonders of nature”. With a view of teaching children to love Nature we have 1 Flower pot for every individual student.
- 4 Water-breaks to keep children hydrated, to help maintain the balance of body fluids and to keep them energies throughout the day.
- Class wise Whatsapp group for easy communication with parents and to give regular updates and feedback.
